Next General meeting Tuesday 9 June at 10.30am

Thank you to all the members who came along to the Grounds Working Bee in May, many hands make light work so they say and our volunteers worked so efficiently on the Saturday that we didn't need to extend to Sunday. 2 very large trailer loads of shrub and garden prunings went to the green waste at the Millmerran waste facility. Future grounds work will continue during the cooler months with the Cypress log garden edges next to be installed. If you would like to join our friendly team of volunteers please make contact through the details below.

Next Music afternoon is planned for **Sunday 28th June commencing at 11am to 3.30pm.** Market Stalls encouraged to attend, must have your own Public/Products Liability Insurance and book your site with the below contacts by Sunday 21st June. Entry/food & drink \$10.00 for the music afternoon, which includes Lunch, afternoon tea, tea/coffee and a softdrink. Musicians playing, Country, Rock N Roll and Easy Listening Genre's of music are welcome to come and participate, playing times will be allocated on the day depending on the number of musicians.

If you haven't ever been to the Museum or haven't been for a while it is a fascinating place to spend a few hours, why not pay our volunteers a visit, now open 3 days a week.

Museum is OPEN every
**TUESDAY, WEDNESDAY &
SATURDAY** - 9am to 3pm

Admission Adults \$10

Students/Children \$5
